Anna could never forget her first love, Leo. Their paths had crossed when they were both 16, at a idyllic summer camp. They were drawn to each other like magnets, spending every day exchanging lighthearted banter, engaging in deep conversations, and sharing stolen kisses. Their bond was solid, and they vowed to maintain their bond, to wait for each other, and to love each other forever. But life, as it often does, had a different path in store for them. The same electric spark that had drawn them together years ago was still unmistakable. They felt the same excitement that had fueled their teenage romance, but they also felt the burden of their past.
